## Meet Our New Lake Warden – Hannah Davidson

Hannah Davidson, an Inman native, and graduate of Spartanburg Methodist College, started her law enforcement career as a South Carolina State Trooper, where she served for seven years. She then moved to the Lowcountry and became a deputy for the Berkley County Sheriff's Department, where she moved up the ranks and was promoted to sergeant.

Hannah and her husband decided to come back to the Upstate to build a home, and began her new position as a Lake Warden with Spartanburg Water in mid-January.

"I grew up here, but I didn't even know that Spartanburg Water had its own law enforcement division with Lake Wardens," says Hannah. "I am also proud to be the first female Lake Warden."

Hannah is enjoying her new role, and is looking forward to continuing to serve alongside her fellow Lake Wardens.

## LAKE ALERTS:

Important Information  
Delivered Digitally!

Help You Stay  
Informed

Spartanburg Water Lake Alerts provide important news and information for our lake residents and watercraft permit holders through e-mail and text messages. Whether safety information, weather and boating updates, or anything else pertaining to our three reservoirs, join your neighbors by staying informed. To sign-up, scan this QR code or visit [www.spartanburgwater.org/lakealerts](http://www.spartanburgwater.org/lakealerts).

For questions regarding your subscription, please contact our Communications Manager, Jennifer Candler, at (864) 580-5693 or by e-mail – [jcandler@spartanburgwater.org](mailto:jcandler@spartanburgwater.org).

## New Anchor Park Playground

Our Anchor Park playground at Lake Bowen has gotten a recent makeover just in time for warmer weather!

The brand-new playground features updated equipment and some great new additions that will help continue the legacy of the original playground that was purchased and installed by the Spencer family as a memorial to their son, Clay.

We hope to see kids and grandkids alike enjoying the sunshine and fun throughout this upcoming spring and summer!

# Watercraft Permit Renewals Have Begun

If you are a previous watercraft permit holder, your permit renewal form has been mailed to you.

After reviewing your form, if no changes are required, please send us the signed form along with a check or money order for the permit fee.

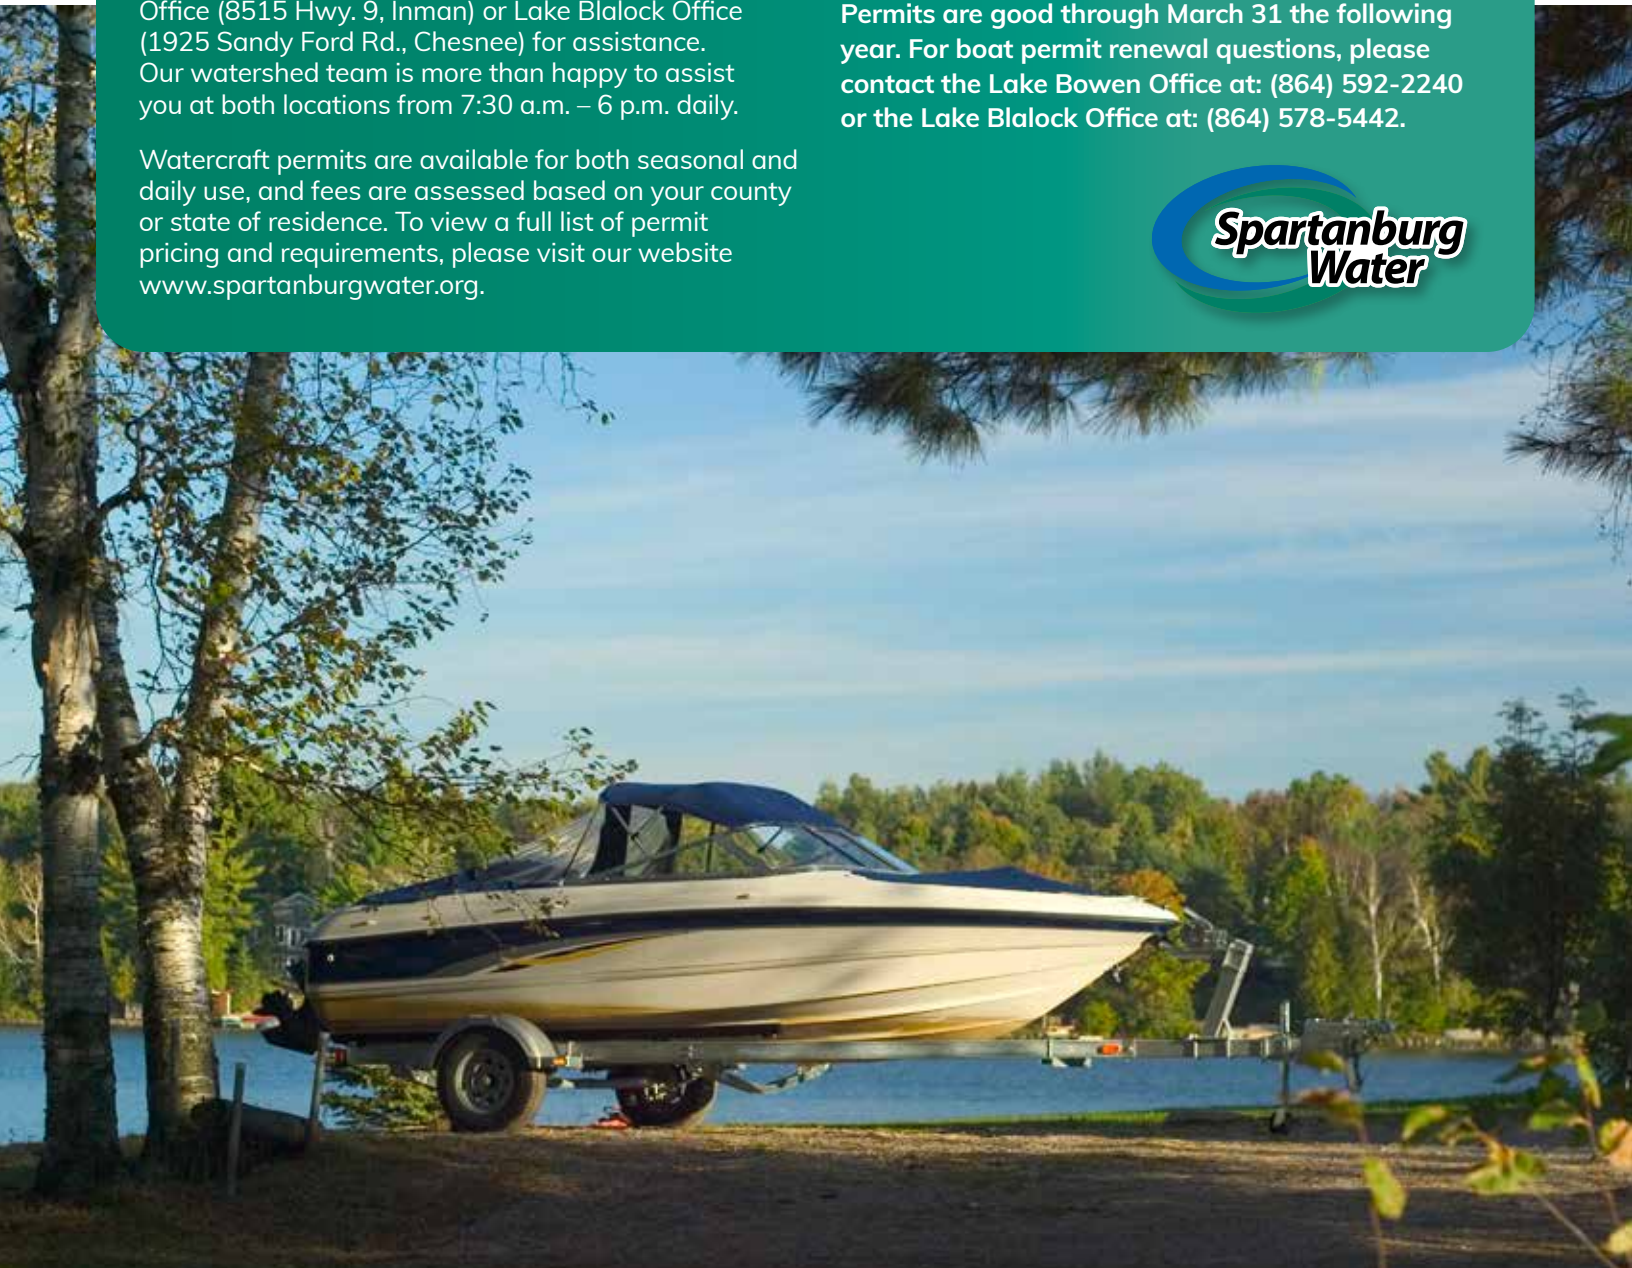

If changes are needed or if this is your first time permitting a watercraft, please visit our Lake Bowen Office (8515 Hwy. 9, Inman) or Lake Blalock Office (1925 Sandy Ford Rd., Chesnee) for assistance. Our watershed team is more than happy to assist you at both locations from 7:30 a.m. – 6 p.m. daily.

Watercraft permits are available for both seasonal and daily use, and fees are assessed based on your county or state of residence. To view a full list of permit pricing and requirements, please visit our website [www.spartanburgwater.org](http://www.spartanburgwater.org).

As a reminder, if you have purchased a non-powered watercraft permit in the past year, these permits are a one-time fee and do not need to be renewed annually.

Please remember, a current permit sticker must be purchased and properly placed on your vessel. Watercraft without valid permits are not allowed on the lakes.

**Permits are good through March 31 the following year. For boat permit renewal questions, please contact the Lake Bowen Office at: (864) 592-2240 or the Lake Blalock Office at: (864) 578-5442.**
